Striking

Build & Improve:

Confidence
Fundamental Skills
Anticipation
Communication
Team Work
Aggressiveness

Jr. Azuri Academy Director, Coach Quang Hamon, has created this new program for children who want to become the best soccer player they can be. The curriculum will focus heavily on improving fundamental and technical skills. If children do not learn good ball skills before the age of 12, they will have more difficulty excelling in this sport.

The schedule is flexible. Come only to the sessions you can make (1, 2, or all 3 sessions).

Mondays & Wednesdays are training days with 15-20 minutes of scrimmage games. Fridays are scrimmage games only, and Parent Coaches will coach all teams during the scrimmages.

Rain Policy: Up to 3 rained out sessions will be rescheduled. If 3 or more rained out sessions cannot be rescheduled, you will receive a \$10.00 credit towards the next Jr. Azuri Academy.

Location: San Ramon Sports Park Grass Fields located at 5261 Sherwood Way, San Ramon.

The cost is \$150.00. However, the first 100 players to register by October 31st will save \$25.00.
